Education

KIET Group of Institutions [AKTU]

B.Tech in Computer Science and Engineering, CGPA: 8.3*

Oct. 2023 – Jul. 2027

Ghaziabad, Uttar Pradesh

Kendriya Vidyalaya Punjab Lines [CBSE]

Intermediate, 88.4%

Apr. 2021 – Jul 2022

Meerut , Uttar Pradesh

Kendriya Vidyalaya Punjab Lines [CBSE]

High School, 89.6%

Apr. 2019 – Jul 2020

Meerut , Uttar Pradesh

Experience

INTELLI REACH PRIVATE LIMITED (Startup)

Frontend Developer Intern

Mar 2026 – Present

Ghaziabad, Uttar Pradesh

- Developed and optimized responsive web interfaces using the MERN stack (React.js, Node.js, Express.js, MongoDB), improving user engagement and ensuring seamless interaction across 5+ device types.
- Enhanced website performance by 35% through code optimization, efficient component structuring, and reducing unnecessary re-renders, leading to faster load times and smoother UI experience.
- Managed project workflows using GitHub, including version control, pull requests, and code reviews, ensuring clean and maintainable code across the development lifecycle.
- Integrated RESTful APIs for real-time data handling , enabling dynamic content updates and improving the efficiency of frontend-backend communication by 30%.

Projects

AI Resume Builder | React, Node.js, MongoDB, Express.js | Live | Code

Mar. 2026 – Present

- Developed an AI-powered Resume Builder using the MERN stack (React.js, Node.js, Express.js, MongoDB), enabling users to create and customize professional resumes with dynamic templates.
- Implemented secure authentication using JWT and Bcrypt, ensuring safe user login/signup and protecting sensitive data.
- Integrated Google Gemini AI to generate and optimize professional summaries and job descriptions, improving resume quality and user efficiency by 40%+.
- Built RESTful APIs and deployed the application on Hostinger VPS, incorporating features like image upload (Multer, ImageKit) and seamless routing for a smooth user experience.

Trion | HTML, CSS, JS, GSAP | Live | Code

Nov. 2025

- Developed a modern, responsive website using HTML, CSS, and JavaScript, focusing on clean UI and smooth user experience.
- Achieved sub-100ms animation frames using GSAP timelines and CSS GPU-compositing, ensuring 60fps performance across 4+ tested device breakpoints.

Personal Portfolio | React ,CSS, GSAP

April 2025

- Developed a personal portfolio website using React.js and CSS, showcasing projects, skills, and interactive UI components.
- Implemented smooth and engaging animations using GSAP, enhancing user experience and visual appeal.

BurgerNation | HTML,CSS,JS

October 2024

- Designed and developed a frontend-only food website “Burger Nation” using HTML, CSS, and JavaScript to showcase modern UI structuring and layout skills.
- Built a pixel-perfect, mobile-first food UI in vanilla JS/CSS; scored 94+ on Google Lighthouse for performance and accessibility with zero external dependencies.

Technical Skills

Languages: C, C++, JavaScript, TypeScript

Frameworks/Libraries: ReactJS,Vite, Next.js, Node.js, Express, CSS, Tailwind, GSAP

Databases: MongoDB, PostgreSQL

Tools/Technologies: GitHub, Git, REST API, VS Code

Certifications

AWS Certified Cloud Practitioner

Feb 2026

Amazon Web Services

NoSQL Course Training – MongoDB Developer

Oct 2025

Infosys Springboard

Introduction To Front End Development

Dec 2024

SimpliLearn SkillUp

CSS: Design Systems and Architectures

Nov 2024

LinkedIn Learning

Achievements

- Cleared GATE 2026, demonstrating strong understanding of core computer science subjects and problem-solving skills.
- Solved 350+ DSA problems on LeetCode using C++, strengthening data structures, algorithms, and coding proficiency.
- Showcased innovative project at Innotech, demonstrating problem-solving and technical implementation skills in a competitive environment.
